

pumps, valves & process equipment **expo 2018**

October 4-6, 2018, Bombay Exhibition Center, Mumbai, India

AN INTERNATIONAL EXHIBITION AND CONCLAVE ON PUMPS, VALVES & PROCESS EQUIPMENT

Concurrent Exhibition

October 4-6, 2018

Bombay Exhibition Center, Mumbai, India

INFINITE OPPORTUNITIES IN
INTERNATIONAL MARKET

Pumps | Valves | Process Equipment | Automation | Controls | Actuators | Compressors | Casting | Instrumentation

www.indiachem.in/Pumps-&-Valves-Expo-2018.php

MARKET OVERVIEW

- The Indian economy is expected to grow at the rate of 7.5% in the current financial year.
- Domestic market worth over USD 780 million in pumps & USD 700 million in valves.
- The industrial valve market is expected to grow at a CAGR of 7% by 2019.
- India is exporting Engineering (Process Plant and Equipment) goods of worth USD 1550 Million (approx.) to 100 plus countries.
- Of the total Indian pump manufacturing capacity about 16% is geared for exports.
- India accounts about 2.5% of the global market of valves.

This focused exhibition provides exposure to various manufacturers and will showcase their capabilities and services. The parallel exhibition "India Chem 2018" will add on networking with the Indian chemical, petrochemical, oil and gas sector which are the major customer base for pumps and valves manufacturers.

The exhibition will feature pumps, valves and process equipment from following sectors:

- Production, Transportation and Processing of Oil and Gas
- Thermal Chemical and PC Industry
- Ferrous and Nonferrous Metallurgy
- Shipbuilding
- Water supply and Sanitation

EXHIBITION HIGHLIGHTS

- International participation from China, Japan, Iran, Germany, Turkey, Vietnam are expected
- Participation of PCPIR States: Gujarat, Andhra Pradesh & Odisha.
- Over 20,000 Business visitors from India and abroad expected
- Over 300 Indian & International exhibitors expected
- Buyer-Seller meet by Basic Chemicals, Pharmaceuticals and Cosmetics Export Promotion Council (CHEMEXCIL).
- Over 30 top CEOs from India and abroad will be deliberating at International Conference
- Make in India Pavilion

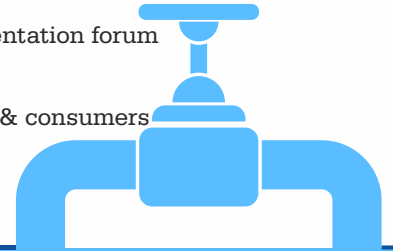

October 4-6, 2018, Bombay Exhibition Center, Mumbai, India

WHY EXHIBIT?

- Showcase the opportunities in the Pumps, Valves & Process Equipment sector along with India Chem 2018
- Educate the trade: Showcase and demonstrate the latest technologies, equipment, products, services, trends in the overall sector
- Meet interact with the decision makers of the industry
- Use the Exhibition platform as a Launch pad
- Use the Exhibition to conduct media conferences & customer/ dealer presentation forum
- Interactive product and equipment demonstrations
- Live demonstration & comparison of products and technology to the trade & consumers
- Less cost per contact
- Look into your customer and customer's customer

EXHIBITORS' PROFILE

PUMPS

- Industrial Pumps, Pumping Equipment and Systems for the application in Water Sector, Waste Water, Oil and Gas Industry, Chemicals, Petrochemicals, Power, Nuclear, Public Utilities, Metals (Ferrous and Nonferrous), Shipbuilding, Paper Industry, Fertilizers, Mining Industry, etc.
- Components and Equipment such as Mechanical Seals, Drives, Flanges, Couplings, Instrumentation and Controls, etc.
- Vacuum Pumps and Suctions Pumps

VALVES

- Industrial Valves and Actuators used for various applications in Water Sector, Waste Water, Oil and Gas Industry, Chemicals, Petrochemicals, Power, Nuclear, Public Utilities, Metals (Ferrous and Nonferrous), Shipbuilding, Paper Industry, Fertilizers. Mining Industry, etc.
- Actuators for Valves such as Electric Actuators, Pneumatic Actuators, Magnetic Actuators, Hydraulic Actuators, Gearings, etc.
- Components & Equipment such as Seals, Gaskets, Packing and Sealants, etc.
- Control Valve, Check Valve, Diaphragm Valve, Gate Valve, Globe Valve, Hydraulic, Needle, Pilot, Plug Valve, Pressure Reducing, Safety, Butterfly, Ball Valve, etc.

COMPRESSORS

- All types of Compressors used for application in Gas Production, Transportation & Processing, Pneumatic Plants- Refrigerating & Conditioning Systems
- Components and Equipment for Compressors

PROCESS EQUIPMENT

- Processing Equipment, including Mixers and Stirrers, Tubes, Pipes and Fittings, etc.
- Filters, Filtrations and Separations Systems
- Process Plants Design and Services
- Instrumentation & Automations
- Hydraulic and Pneumatic Systems

MANUFACTURERS FROM ALLIED INDUSTRIES

- Castings
- Forgings
- Sheet Stempings
- Welded Workpieces
- Software for Pumps & Valves Design, Control & Remote Monitoring, etc.

VISITORS PROFILE

- CEOs, Engineers, Technocrats & Scientists
- Decision Markets & Techno-commercial Personnel from Projects, Purchase, Production & Maintenance Departments
- Members & Delegates from Industrial Associations & Trade Bodies
- Government & Ministry Personnel
- Policy Makers, Diplomats & Consultants
- People from EPC, end user industry like Oil and Gas, Agriculture, Power Generation, Metal and Mining and Construction.
- Visitors specializing in Water and waste water management sector.

FOR VISITORS PV&PE EXPO WILL ALLOW YOU TO:

- See the latest technological developments taking place globally
- Explore a wide range of products of world-renowned manufacturers
- Network & negotiate with your vendors/ suppliers
- Purchase equipment at the exhibition
- Find new technological solutions for your business
- Know the situation in the industry through events
- Understand the capabilities and strengths of your suppliers
- Get a complete market overview

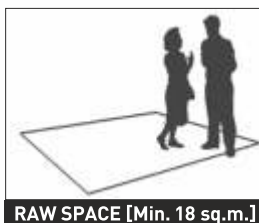

About FICCI

Established 90 years ago, FICCI is the largest and oldest apex business organization in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organization, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry, reaching out to over 2,50,000 companies. FICCI serves its members from large (domestic and global companies) and MSME sectors as well as the public sector, drawing its strength from diverse regional chambers of commerce and industry.

The Chamber with its presence in 14 states and 10 countries provides a platform for networking and consensus-building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.

RAW SPACE [Min. 18 sq.m.]

SHELL SCHEME [Min. 9 sq.m.]

PARTICIPATION CHARGES: EXHIBITION

Domestic Exhibitors	INR 9,500 per sq.m.	INR 10,500 per sq.m.
International Exhibitors	USD 250 per sq.m.	USD 300 per sq.m.

Government service tax of 18% will be charged above the said rate.

A standard 9 sq.m. (3m x 3m) stand will include wall construction panels, company name in english on the fascia and stand number, complete carpeting, 1 standard table (1m), 2 standard chairs, 3 spot lights, 1 socket (15amp), 1 waste bin.

FOR EXHIBITION AND CONCLAVE CONTACT
